

# On My Lips, Your Praise

Dale B. DeBlock

( opt.)

D                      G      D                      A                      G      A7      A                      G      D      G

On my lips, your praise shall ev-er be. On my knees, your will, I'll seek to see.

9 From my heart, your love shall flow a-bun-dant-ly. Less of self, my plea shall be, and more of

16 thee. On my lips, on my knees, from my heart, Lord Je-sus, it's you.
